

ELGIN COUNTY 4-H NEWSLETTER

January 2017

President's Message

By Henry Helder

Happy New Year to each and everyone of you. May you have a good 2017!

Let us suppose that you had a bank that credited your account each morning with \$86,400.00, carried no balance from day to day, allowed you to keep cash in your account, and every evening cancelled whatever part of the amount you had failed to use during the day. What would you do? Draw out every cent? Of course!!

Well, you have such a bank and its name is 'TIME'. Every morning it credits you with 86,400 seconds. Every night it rules off as lost whatever of this you have failed to invest to a good purpose. It carries no balance! It allows no overdrafts!

Each day it opens a new account with you. Each night it burns the records of the day. If you failed to use the day's deposits, the loss is yours. There is no going back. There is no drawing against the 'tomorrow'. You must live in the present - on today's deposits.

Now how are you going to use it and live it! This is a challenge to each one of us that reads this report. 2017 is Canada's 150th centennial year. How are we going to spend each day this year? I hope that each one of us may have another year in 4-H of 'Learning to do by doing'.

What If.....?

A really crazy and fun icebreaker for teens, this game begins with each person receiving two notecards (or pieces of paper).

Balloon War

Russian Roulette Balloon Pop

Another balloon game and one of the most fun icebreakers, this takes some advance preparation.

Do Not Laugh!

Teens are notorious for doing the opposite of what they are told. This funny icebreaker game builds on this premise.
